Formal Images

Most of our Individual Formal Portraits are taken outside. At Ambient Photography, we strive to capture a natural portrait for you to cherish. Clothing is a very important element of any portrait. We ask that you avoid busy patterns or logos on picture day!

We offer a family discount. If you have three or more children who will be photographed by our company, an additional add-on is our gift to you. Simply check the "Family Plan" box on the order form and list your children's names in the space.

Normal delivery time is 3-4 weeks. We cannot guarantee that your child's photo will be taken without an individual order form. Please don't combine students on a single form and be sure to have your order forms on picture day!

Black & White Images

At your schools request, our photographers capture the magical moments that compose your little one's day! Although we try our best to capture every child candidly, in this informal setting we cannot guarantee that we photograph everyone. Parents who know us have come to anticipate these whimsical and award winning BLACK & WHITE IMAGES. There is no need to pre-purchase candid portraits. Information on how to view and order these images will be provided when you receive your formal picture packages.
