## ***King Street Center Community Dinner Hosted by Ella, VCS '20***

*by Mark Cline Lucey*

Ella Dunkiel, a VCS 8th grader, is hosting a community dinner at the King Street Center on October 20th. She has volunteered there for two years, and would love to see the VCS community get involved. King Street is expecting about 120 people from the community to attend, so Ella needs 13-15 people to help cook dessert. If you want to get involved with this amazing event please take one minute to fill out the google form below. Thank you!

King Street Center is a not-for-profit community organization that provides children and families the core life-building skills necessary for a healthy and productive future.
