# Jordan Cannon Selected for “Girls Rock the Capitol”

Sophomore Jordan Cannon has been chosen for an internship with the Vermont Legislature called Girls Rock the Capitol (GRTC) and she will spend time this winter in Montpelier with female legislators who will serve as mentors and she will learn about key issues facing the state of Vermont while working inside the State House. Congratulations to Jordan!

## Ecological Economics in Conversation with UVM Students *by Mark Cline-Lucey*

On Tuesday afternoon the seniors in Ecological Economics had a two-hour class with five students from a UVM Systems Thinking class. Designed and facilitated by the UVM students, the class included learning about systems and paradigms, and involved an in-depth role play debate regarding Burlington’s choice between City Market or Shaws back in 2000.
